

Happy Friday!

Let's start out with amazing news - we won 1st's place in the Manhattan Town Center's Grand for Grade Schools contest! The prize? A whopping \$1,000! Thank you to each and every person who supported us in this way. Woo-hoo!

IMPORTANT DATES TO BE AWARE OF:

Monday, September 9th: Grandparents Day | 8:10 AM - 9:00 AM - *we've slightly changed this event time to: 8:15 AM - 9:15 AM!*

We'll be celebrating Grandparents with snacks, classrooms visits and a short program!

Grandparents Day is one of our most looked forward to events! Elementary children have the opportunity for Grandparents (or a favorite neighbor or a favorite adult instead) to come visit their classroom and join in on some snacks. Paper invitations were sent home with students last week! There is also a [Facebook event here](#) if you prefer to invite loved ones digitally.

Monday, September 9th: Board Meeting | 6:00 PM

All monthly [board](#) meetings are held in the FHCS conference room (#109).

Monday, September 16th: PATT Meeting | 7:00 PM - **New!**

Come get involved with our school - There's no shortage of ways to earn volunteer hours and get to know great people too!

This 'Parents And Teachers Together' (PATT) meeting will take place in the FHCS conference room (#109). Topics of discussion will include various upcoming school events that take wonderful parents like YOU to plan.

Thursday, September 19th: Early Dismissal | 2:00 PM

K-12 students will be released early in order for teachers to participate in personal development. K4 students pick-up at their normal time.

Thursday, September 26th: Picture Day | 8:20am

Students will have the opportunity to take their annual photo.

The ordering information will be coming home with students over the next couple of school days. Filled out envelopes and payments may be turned into teachers or the office.

CROSS COUNTRY ATHLETES:

Coach Helton is requesting parents stay briefly after practice **TODAY at approximately 5:15 PM** for a meet-and-greet with him and to learn relevant details directly. This will only take about 20 minutes and is your opportunity to ask any questions!

GRANDPARENTS DAY VOLUNTEERS NEEDED:

Amy Vandorn is needing set-up help on Sunday, September 7th at 4:00 PM on campus as well as floating help on Monday from 7:45 - 9:15 AM. All of this, of course, will count towards your required volunteer hours! For any questions on this, contact Amy: ps127life@gmail.com

THANK YOU:

We want to extend a big thank you to Livie Olson, who owns [Fenceline Fabrics](#). She came and serviced all our sewing machines for free! And did you know she's a K-12 FHCS alumna? Her children even attended here for several years! For any sewers out there, be sure to check out her fabric shop on Poyntz and extend our gratitude.

LAWN MOWING VOLUNTEERS NEEDED:

Another volunteer opportunity for you! This has been the hardest need to fill but maybe one of the most important. Mowing our property is a 4-5 hour job that only a couple families have been doing on a weekly basis. Let's not burn them out, shall we? We would love the opportunity to expand our list of volunteers in this area. Please contact the office of your interest should this be something you're able to do.
